

User Agreement
Terms of Service
Welcome to Mimo Fun!

We've drafted these Terms of Service (which we simply call the "Terms") so that you'll know the rules that govern our relationship with you. Although we have tried our best to strip the legalese from the Terms, there are places where these Terms may still read like a traditional contract. There's a good reason for that: These Terms do indeed form a legally binding contract between you and Mimo Fun, So please read them carefully.

Please also review our Privacy Policy, which is a part of these Terms of Service and which outlines our practices towards handling any personal information that you may provide to us.

The App and the Service are owned and operated by Mimo Fun! Limited. ("Mimo Fun!," "we," or "us") and are accessed by you under the Terms of Service described herein ("Terms of Service" or "Agreement"). 16. Arbitration, Class Waiver, and Jury Waiver

PLEASE READ THE FOLLOWING PARAGRAPHS CAREFULLY BECAUSE THEY REQUIRE YOU TO ARBITRATE DISPUTES WITH Mimo Fun, AND LIMIT THE MANNER IN WHICH YOU CAN SEEK RELIEF FROM US.

* - Applicability of Arbitration Agreement. All claims and disputes arising out of or relating to these Terms or the use of the Services that cannot be resolved in small claims court will be resolved by binding arbitration on an individual basis, except that you and Mimo Fun are not required to arbitrate any dispute in which either party seeks equitable relief for the alleged unlawful use of copyrights, trademarks, trade names, logos, trade secrets, or patents.

* - Arbitration Rules. United States Arbitration Law governs the interpretation and enforcement of this dispute-resolution provision. Arbitration will be initiated through the United States International Economic and Trade Arbitration ("USIETAC"). If the USIETAC is not available to arbitrate, the parties will select an alternative arbitral forum. The rules of the arbitral forum will govern all aspects of this arbitration, except to the extent those rules conflict with these Terms.

* - Additional Rules for Non-appearance Arbitration. If non-appearance arbitration is elected, the arbitration will be conducted by telephone, online, written submissions, or any combination of the three; the specific manner will be chosen by the party initiating the arbitration. The arbitration will not involve any personal appearance by the parties or witnesses unless the parties mutually agree otherwise.

* - Authority of the Arbitrator..The arbitrator will decide the jurisdiction of the arbitrator and the rights and liabilities, if any, of you and Mimo Fun. The dispute will not be consolidated with any other matters or joined with any other cases or parties. The arbitrator will have the authority to grant motions dispositive of all or part of any claim or dispute. The arbitrator will have the authority to award monetary damages and to grant any non-monetary remedy or relief available to an individual under applicable law, the arbitral forum's rules, and the Terms. The arbitrator will issue a written award and statement of decision describing the essential findings and conclusions on which the award is based, including the calculation of any damages awarded. The arbitrator has the same authority to award relief on an individual basis that a judge in a court of law would have. The award of the arbitrator is final and binding upon you and Mimo Fun.

* - Waiver of Class or Consolidated Actions. ALL CLAIMS AND DISPUTES WITHIN THE SCOPE OF THIS ARBITRATION AGREEMENT MUST BE ARBITRATED OR LITIGATED ON AN INDIVIDUAL BASIS AND NOT ON A CLASS BASIS. CLAIMS OF MORE THAN ONE CUSTOMER OR USER CANNOT BE ARBITRATED OR LITIGATED JOINTLY OR CONSOLIDATED WITH THOSE OF ANY OTHER CUSTOMER OR USER. If, however, this waiver of class or consolidated actions is

deemed invalid or unenforceable, neither you nor we are entitled to arbitration.

* - Confidentiality. No part of the procedures will be open to the public or the media. All evidence discovered or submitted at the hearing is confidential and may not be disclosed, except by written agreement of the parties, pursuant to court order, or unless required by law. Notwithstanding the foregoing, no party will be prevented from submitting to a court of law any information needed to enforce this arbitration agreement, to enforce an arbitration award, or to seek injunctive or equitable relief.

* - Right to Waive. Any rights and limitations set forth in this arbitration agreement may be waived by the party against whom the claim is asserted. Such waiver will not waive or affect any other portion of this arbitration agreement.

* - Opt-out. You may opt out of this arbitration agreement. If you do so, neither you nor Mimo Fun can force the other to arbitrate. To opt out, you must notify Mimo Fun in writing no later than 30 days after first becoming subject to this arbitration agreement. Your notice must include your name and address, your Mimo Fun username and the email address you used to set up your Mimo Fun account (if you have one), and an unequivocal statement that you want to opt-out of this arbitration agreement.

* - Small Claims Court. Notwithstanding the foregoing, either you or Mimo Fun may bring an individual action in small claims court.

* - Arbitration Agreement Survival. This arbitration agreement will survive the termination of your relationship with Mimo Fun.

17. Choice of Law

Except to the extent they are preempted by the laws of the United States, other than its conflict-of-laws principles, govern these Terms and any disputes arising out of or relating to these Terms or their subject matter, including tort claims.

18. Severability

If any provision of these Terms is found unenforceable, then that provision will be severed from these Terms and not affect the validity and enforceability of any remaining provisions.

19. Additional Terms for Specific Services

Given the breadth of our Services, we sometimes need to craft additional terms and conditions for specific Services. Those additional terms and conditions, which will be available with the relevant Services, then become part of your agreement with us if you use those Services.

20. Final Terms

* - These Terms make up the entire agreement between you and Mimo Fun, and supersede any prior agreements.

* - These Terms do not create or confer any third-party beneficiary rights.

* - If we do not enforce a provision in these Terms, it will not be considered a waiver.

* - We reserve all rights not expressly granted to you.

* - You may not transfer any of your rights or obligations under these Terms without our consent.

* - These Terms were written in English and to the extent the translated version of

these Terms conflict with the English version, the English version will control.

Personal Information about our users is an integral part of our business, so please read this Privacy Policy carefully. By using or accessing our App or our Service, you agree to the privacy policies outlined below.

This privacy policy also applies to Chacha, which is a nice platform . We respect them.

What Does this Privacy Policy Cover?

This Privacy Policy covers Mimo Fun's treatment of Personal Information that we collect while you are using the App and the Service. This policy does not apply to the practices of third parties that Mimo Fun does not own or control, including but not limited to third party services you access through Mimo Fun, the App or the Service, or to individuals that Mimo Fun does not employ or manage. As our Service integrates with third party sites, such as Facebook, and other sites and social networks, we assume that you are already aware of the privacy policies of those other sites and networks when using our App and/or our Service and when you allow us to interact with these sites and networks on your behalf.

The Service

The key functionality of Mimo Fun is a real-time video chat mobile application where users can meet cool and interesting people from all over the world, enjoy fun chats, and make new friends on our platform. It pairs individuals ("Users") together based on compatibility and other factors, and to enable individuals to chat and communicate online through various media including text, video, linking and accessing third party social network platforms such as but not limited to Snapchat (collectively, the "Service").

Information We Collect

There are three basic ways we collect information:

- * - Information you choose to give us
- * - Information we get when you use our services
- * - Information we get from third parties

Here's a little more detail on each of these categories.

Information You Choose to Give Us

By visiting and interacting with Mimo Fun, its App and/or its Service, you provide us with Personal Information which may include, but is not limited to, the following:

- * - Personally Identifiable Information: may include, without limitation, information provided when you register to use the App and/or the Service, including your name, profile picture, date of birth, phone number, phone book content, address, email address, occupation, employer, gender, age, birthday, Facebook account info and friend list, and/or other social network usernames and 'likes' and preferences, friend lists and number of friends you have via social networks, messages to other users of the App and the Service, use information regarding your use of the Service, profile picture that you upload via the App or the Service, and browser information.

- * - The information you choose to provide above may be shared with your contacts on our service. You have total control over your profile information and you can access to modify at any time. In addition, if you register to our service with your Facebook account (e.g. Facebook Connect), we may store your Facebook ID and corresponding token on our servers and, if you give us your expressed consent, we will have access to and may collect certain information that you make available on Facebook (for example, your first and last names, email address, profile picture, your friend lists and birthdays). Your Profile is available to other users of the Service who are connected to you on our service. In addition, unless you opt-out (which you may do so at any time in the settings of our application), your Profile is discoverable by other users. You may choose to "block" any user on our platform to prevent unwanted access of your Personal Information.

- * - You may also choose to share your mobile device's Contacts list with us (including names, numbers, emails, Facebook ID, Apple ID, etc) and we will store it on our servers to help you better improve our service, e.g. connecting with friends on our service. If you do not want us to store this information, you may opt-out through your account settings or notify us via email. If done so, we will not be able to offer some of our features on our service.

Of course, you'll also provide us whatever information you send through the services. Keep in mind that the users you send texts, images, and any other content to can always save that content or copy it outside the app. So, the same common sense that applies to the Internet at large applies to Mimo Fun as well: Don't send messages or share content that you wouldn't want someone to save or share.

It probably goes without saying, but we'll say it anyway: When you contact Mimo Fun Support or communicate with us in any other way, we'll collect whatever information you volunteer.

Information We Get When You Use Our Services

When you use our services, we collect information about which of those services you've used and how you've used them. We might know, for instance, that you used one of the filter in app and the number of times you have used this filter. Here's a fuller explanation of the types of information we collect when you use our services:

Usage Information. We collect information about your activity through our services. We may collect information including but not limited to:

- * - How you interact with the services, such as which filters you view or the number of times apply to discover.

* - Content created when using the service. It includes creating or uploading different kinds of content to the App, including without limitation, photos, text, messages, posts, html, URLs, pictures, video and other content (collectively, "User Contributed Content"), and the metadata that is provided with the content. As you upload User Contributed Content you should be mindful of your privacy as well as the privacy of others.

* - How you communicate with other Mimo Fun users, such as their names, the time and date of your communications, the number of messages you exchange with your friends, which friends you exchange messages with the most, and your interactions with messages (such as when you open a message or capture a screenshot). We allow you to share text messages, photos, screenshots, videos and other forms of communications on our service with other users, and if you choose to do so your text messages, photos, screenshots, videos and other communications may be stored on our servers. In addition, if you choose to share these items with other users, we may not be able to remove them from our servers or make them unavailable to anyone you have shared them with. Sending and sharing text messages, photos, screenshots, videos or other communications on our service is your decision. By choosing to share that information, you should understand that you may no longer be able to control how that information is used and that it may become publicly available. We are not responsible for any use or misuse of information you share.

* - Device Information. We collect device-specific information, such as the hardware model, operating system version, advertising identifier, unique application identifiers, unique device identifiers, browser type, language, wireless network, none direct display of content moderation, and mobile network information (including the mobile phone number).

* - User content e.g. photos, screenshots, comments, and other materials that you create on the service may also be collected. Your photos and videos may be captured by other users on the service, and those content can be stored and used by us or third party services (e.g. Facebook) for content moderation and community safety monitoring purposes.
